Typhoon Relief Update

TYPHOONS ROLLY (GONI) & ULYSSES (VAMCO)

By Andrea Chua
Finance Officer

In the span of three weeks, the Philippines has been devastated by fierce winds and torrential rains. Typhoon Rolly (Goni) on October 31 and November 1, and Typhoon Ulysses (Vamco) on November 11 and 12 left a trail of devastation, leaving some cities and provinces submerged in water.

Pictures of rivers overflowing, people on their rooftops trying to escape the floodwaters, and entire villages/barangays destroyed shocked the country whose people are used to tropical storms.

The GCCP church community sprang into action and so far has raised Php 1,387,374.02 (as of November 18) to help our fellow countrymen. Working with our ministry partner organization ABC COP and their network of 600 churches--many of which are located in the hard-hit areas--we were able to quickly help the communities directly affected.

As of this writing, your donations have already helped more than 2,000 families. P1,100,000 have already been distributed for food and shelter to the following areas:

AREA	AMOUNT	(AS OF NOV. 16)
		FAMILIES HELPED
Catanduanes	P250,000	132
