Restart: On-Site Worship Services

Ptr. Victor Ramoy
Minister

On Sunday, January 10, 2021, our church officially restarted our on-site worship services after last meeting on-site on March 8, 2020.

The church was ready to restart with approval from the GCCP Medical Advisory board and the Church Board and after consulting professionals and other churches that had already restarted on-site services. In preparation, more than two months were spent developing a contact tracing application and drawing up new processes and procedures to comply with IATF guidelines for religious gatherings and DOH best practices during this pandemic. On January 3, 2021, GCCP ran a trial service on New Year Sunday to test-run the procedures and fine-tune the new systems for a small group of people.

On the Sunday of re-opening, people were so excited that they came almost an hour before the service start time of 11:00 AM! One commented, “[It] Felt so wonderful to finally be able to step inside our home church and be with the church—the people! It started with a very convenient booking thru the website. Kudos to the team that made it so easy to fill up without having to go thru a long list to answer! Then came ‘The Day!’ Felt the warmest greeting of the familiar faces after not being able to see them for almost a year! The process of entry with temperature check and reservation verification was fast, organized, and safe! And the moment we sat in the familiar pews (but now dressed up neatly for social distancing) felt emotional to finally worship solemnly with the church physically. I reflected with deep gratitude to have the privilege in its truest sense to be able to worship together with the whole church family.”

Another one wrote to one of our ministers and commented, “Galing ng system n’yo! Super safe naman. Yay! And ang ganda ng church experience today, was heart-warming and homey as always! Good job super! Pati sila mommy at peace and secured naman sa safety procedures n’yo. Thank you!”

We praise the Lord for answering months of prayers and honoring our preparation as worshipers gathered safely together to worship the Lord.

We welcome you to join us every Sunday to worship with us on-site whenever you’re ready. Registration to get WSR Codes for worship services starts at 8:00 AM every Monday through the GCCP website www.gccp.org.ph. Please register early as seating is limited to ensure physical distance. If you prefer to continue worshipping with us online, worship guides and sermon videos are uploaded on our social media channels every Saturday at 6:00pm. May the Lord continue to watch over His church and protect each one of us and our families. See you soon!
