**** KEY TAKEAWAYS ****

A heart of humility...

- Recognizes the fickleness of people's attitude and thinking
- Realizes that we serve at the pleasure of the One True King
- Allows for ridicule, trusting that God will make it right
- Turns to God first for help in times of need

Talk It Through

1. Can someone possess outward qualities like a gentle demeanor or spiritual authority but still lack true humility? Why do you think this is possible or not?
2. How does David's response to Absalom's betrayal and Shimei's ridicule reveal his trust in God's sovereignty and justice? What can you learn about humility from his actions?
3. Can you think of a time when you faced unjust criticism or betrayal? How did you handle it, and how might David's example inspire you to respond differently in similar situations?
4. In what areas of your life do you need to practice greater humility by trusting God's will and timing? What steps can you take this week to actively cultivate a heart of humility?
