### \*\* KEY TAKEAWAYS\*\*

#### **Biblical principles for personal holiness:**

1. Prepare to live a holy life.
2. Know God's standard of holiness.
3. Keep separate holiness and sin.
4. Live out holiness as a way of life.

## Talk It Through

1. Thinking that our feelings are superior to truth leads to deadly consequences. When you let your feelings get the best of you and dictate your actions, what usually happens?
2. What do you think makes it difficult for Christians nowadays to pursue personal holiness? Why do many Christians fail?
3. As you evaluate your personal holiness, would you say that the way you live your life right now demonstrates God's truth and points your non-believing friends or family to Jesus?

4. Personal holiness is a lifelong journey that each Christian is called to. How can you emulate God's holiness in the way that you live right now so you can live righteously for God?
