- What God did: He sent His Son
- What God is doing: He abides in us

## Talk It Through

1. John emphasizes that “God is love,” and that this love should be evident in our daily lives. How do you interpret the statement “Love is the core of our Christian witness”? Do you agree that love should be the foundation of how we live out our faith? Explain your answer.
2. What did you learn from the sermon about the connection between God’s love and our worship? How does understanding that love is part of God’s nature influence how we worship Him?
3. Think about your relationships with others, especially those who are difficult to love. How well do you reflect the love of God in these interactions? What might be some challenges or opportunities in living out this kind of love?
4. What is one specific way you can demonstrate sacrificial love this week, following Jesus’ example? How can you allow the Holy Spirit to guide you in reflecting God’s love to those around you?
