Talk It Through

1. The sermon mentions that it's the little extra that makes what's ordinary extraordinary. What do you think about the idea of putting in a bit of extra to become an extraordinary Christian? Is that something you aspire to be? Why or why not?
2. Have you ever faced obstacles that made it difficult to pursue something important? How did you respond to those challenges?
3. What did you learn from this story about the kind of faith that actively pursues God and goes beyond convenience to bring others to Jesus?
4. In what ways do you struggle with self-righteous attitudes or the temptation to judge others? How does this affect your ability to be humble and gracious and your relationships with others?
5. What is one way you can actively pursue God or live a transformed life this week so that you can bring Him glory, even if it requires stepping out of your comfort zone?
