

Unshakable Foundation

Min. Kenneth Sy | Matthew 7:24-27

Watch

Watch the sermon. As you watch, take notes on anything that stands out to you. Pay careful attention to the context of the biblical text, insights and principles highlighted, and any supporting scripture mentioned.

** KEY TAKEAWAYS**

Biblical Principles on Building a Strong Foundation on Jesus Christ

- A strong foundation through actively living out God's Word
- Life's storms will test and reveal the strength of our foundation
- A shallow foundation cannot withstand life's storms
- Jesus alone is the unshakable foundation

Talk It Through

1. In what ways do people today admire things that may actually be unstable or unsustainable, and why do you think people are drawn to these things even when they don't last? Have you ever built something in your life on an "unstable foundation"?
2. Jesus describes the wise and foolish builders—one builds on rock, the other on sand. What does this tell us about the difference between simply knowing God's word and actually applying it?
3. When trials or difficulties come, they test what our lives are built upon. Think of a recent challenge you faced. What did it reveal about the foundation of your faith?
4. Can you identify areas in your life where you might still be building on sand? If building a strong foundation in Christ requires personal responsibility and small, consistent steps, what is one habit or change you can start this week to make your faith more solid?

Pray

Close your time together with prayer.
