**** KEY TAKEAWAYS ****

Realities that should trigger a spiritual awakening that can radically change your life:

- Recognize that you are a role model
- Realize you live for God's approval
- Remember you are to proclaim truth

Talk It Through

1. What's one moment in your life that felt like a wake-up call—where something shifted in your perspective or priorities?
2. What did this message teach you about the connection between responsibility (like being a role model) and spiritual growth? How did Enoch's story reshape your understanding of what it means to truly "walk with God"?
3. If someone closely watched your daily life—your reactions, choices, and values—what would they learn about your walk with God? Are there areas where you're more focused on pleasing people than pleasing God? What makes that a struggle?
4. What's one area this week where you can start living more intentionally for God's approval instead of others'? Is there a specific truth God's been placing on your heart that you need to live out—or even share more boldly?
