**** KEY TAKEAWAYS ****

God may give us wake-up calls...

- When we care more about people's applause than being faithful to God
- When we think we can get away with sins done willfully and deliberately
- When we take for granted the God-given opportunities to make things right
- When we stop taking God and His holiness seriously

Talk It Through

1. Have you ever had a "wake-up call" moment—big or small—that made you stop and rethink your choices? What happened?
2. From the story of Ananias and Sapphira, what stands out to you about how God views the "why" behind our actions? How does this challenge the way we think about integrity and obedience?
3. Are there opportunities God might be giving you right now to make something right or to draw closer to Him? How have you been responding so far?
4. What's one way you can cultivate a deeper reverence for God in your daily life—so that you don't take His holiness or His patience for granted?
