3 Biblical Principles on Friendship

- People who live for themselves end up alone
- The value of friends outweighs the negative aspects
- Better to have true friends than many friends

Talk It Through

1. Have you ever been in a room full of people but still felt lonely? Why do you think that kind of loneliness is so common?
2. When you think back on the message, what struck you most about how God designed us for friendship?
3. Who's been a true friend to you when life was hard, and how has that shaped the way you try to be a friend to others?
4. Jesus said, "Greater love has no one than this, than to lay down one's life for his friends" (John 15:13). Jesus showed He is your Friend when He laid down His life for you. How can you grow in your friendship with Him and with others this week?
