

# God's Amazing Grace

Dr. Stephen G. Tan | Ephesians 2:7-9

## Watch

Watch the sermon. As you watch, take notes on anything that stands out to you. Pay careful attention to the context of the biblical text, insights and principles highlighted, and any supporting scripture mentioned.

## **\*\* KEY TAKEAWAYS \*\***

- God's grace is free, so be thankful and pay it forward
- God's grace is satisfying, so don't compare and complain
- God's grace is unending, so live out God's will for your life

## Talk It Through

1. Have you ever received something completely free—like a gift, favor, or surprise—that left you extra thankful? How did it affect your attitude at that moment?
2. From the message, what stood out to you about how God's grace works differently from the world's system of rewards and effort? What does this reveal about His character and how He relates to us?
3. When are you most tempted to slip into entitlement, comparison, or complaining, and how does remembering God's grace shift your perspective?
4. What's one way you can make gratitude and generosity more natural in your daily rhythm, or "pay grace forward" this week at home, at work, or with friends?

## Pray

Close your time together with prayer.
