**** KEY TAKEAWAYS****

The Warning: Don't be seduced by sin

Sin's seductive lie:

- No one will know
- You will prosper
- It's an easier life

The Ugly Truth: Sin leads to self destruction

🗣️ Talk It Through

1. Why do you think people sometimes knowingly do things they know are wrong, even when they understand the possible consequences? What makes us take that risk?
2. In Proverbs 1:10-19, sin is presented as something that entices us with promises of secrecy, prosperity, and an easier life. Why do you think these promises are so appealing to us? What does this passage reveal about the true nature and consequences of sin? Why does sin often end up hurting the very person who gives in to it?
3. The sermon reminds us that sin doesn't always look obviously wrong or harmful. Sometimes it comes disguised as an opportunity, a shortcut, or something we think we deserve. Which of these three lies are you most likely to believe: "No one will know," "I will prosper," or "This will make life easier"? How might this be influencing your decisions? Have you ever found yourself making excuses for something you knew wasn't right, or convincing yourself that it wasn't really that bad? What helped you recognize it?
4. What boundaries or practical steps can you put in place to keep yourself from being drawn into situations where you're more likely to compromise your convictions?
